Holiday travel context

Figures for coverage of the Thanksgiving and December travel season

Reporters covering holiday travel in the Milwaukee and Chicago area can use the figures below; each links to its original source.

3.13 million

people screened by TSA on Sunday, Nov. 30, 2025, the Sunday after Thanksgiving and a single-day record

Source: TSA passenger volumes

Nearly 2 million

travelers expected through O'Hare and Midway over Thanksgiving week 2025 (Nov. 25 to Dec. 1)

Source: Chicago Department of Aviation

1.65 million

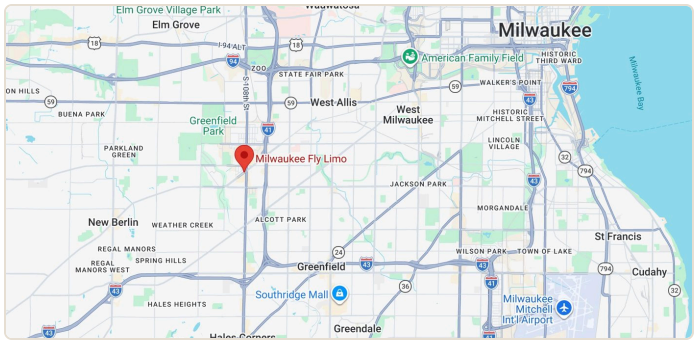

Wisconsinites AAA expected to travel 50 miles or more for Thanksgiving 2025, a state record (81.8 million nationally)

Source: AAA

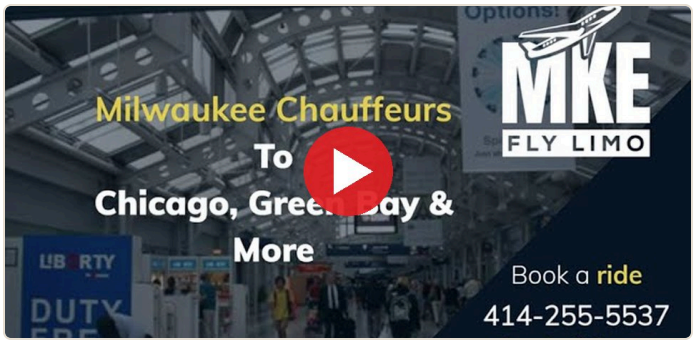

> **"We are projecting that the Sunday after Thanksgiving will be one of the busiest travel days in TSA history."**
>
> Adam Stahl, Senior Official Performing the Duties of Deputy TSA Administrator, TSA, Nov. 21, 2025

How a holiday airport ride works

Each ride is quoted upfront from distance and time and locked in at booking. The price changes only if the ride changes. For airport trips, the company tracks the flight status and works with the customer to adjust the pickup when the timing changes.
